CAMPBELL BLOCK.

A \$25,000 Structure to be Erected by Tom Campbell, on the Corner of Third Street and Bruce Avenue.

A FIXED FACT.

A FIXED FAOT.

The very important real estate transfer of the season was consummated yesterday, it being the purchase of several-y-fee by one hundred and forty feet, on the corner of Third erret and Broos are, by the First National Bank. The sum paid therefore was 87,000, nearly 850 per foot, and on this ground is to be creeted one of the finest business blooks in Northern Davids or the Northwest, The building will be 75x125, three stories high, solid brick and fire proof. The front will be plate glass and the First National Bank, which will occupy the roots next to Rruce aver, will also have a frontage of fifty feet on that street, with a grand entrance in the corner. The remainder of the foot will be divided into two rooms saitable for stores, and it is the intention to finish them in the most elegant mannar professible, are will be divided into two rooms, while then in the most elegant mannar professible, are will be divided into the constitution of the contract of the con
